

# INTRODUCING NO LIMITS DATA

Are you ready for No Limits Data from eir business mobile? Enjoy all the data you want, when you want it, available on eir business mobile!

See below for all the information you need on No Limits Data!

## What is No Limits Data?

Now on eir business mobile, there are really no limits to the amount of data you can use. Whether you like to binge on endless series on Netflix, stream music for hours on end, game into the wee small hours or simply watch your favourite content on YouTube, with NO LIMITS DATA there really are no limits!

## How does No Limits Data work?

It's easy. From August 8th 2019, the following eir mobile plans will have No Limits Data

### SIM Only

- eir business SIM connect
- eir business SIM complete

### Bill Pay

- eir business complete
- eir business premium

Your plan will automatically update so you won't have to change a thing and your price will stay the same!

## What happens to my Roaming allowances?

Your roaming allowances will stay the same – there are no changes to any roaming allowances on the affected plans

- Business SIM connect – 30GB of roaming in the EU
- Business SIM complete – 50GB of roaming in the EU

- Business mobile Connect – 40GB of roaming in the EU
- Business mobile Complete– 60GB of roaming in the EU
